Devotional Resource for Children

_I Love God’s Green Earth: Devotions for Kids Who Want to Take Care of God’s Creation_ is written by Michael and Caroline Carroll and published by Tyndale House. The book contains 90 days of devotions each of which has a scripture reading, reflections on an ecological situation of concern, our connection to it, and what can be done. It could be used with a Sunday school group or as a discipline for a season of the year as a family activity.
